

STATE FAIR LOSS WAS \$9,696.81

Stockholders Meeting Tonight Will Face a Big Deficit.

The Association Spent a Total of \$42,007.98.

PAID IN PREMIUMS \$23,398

Weather Turned a Prospective Profit Into a Loss.

The Show Was a Great Success, Except Financially.

At the annual meeting of the stockholders of the Kansas State Fair Association, held last night at the Commercial club, the financial statement of the 1915 fair, which will show a deficit of \$9,696.81, according to bills unpaid on file at the secretary's office.

Rain and mud is given as the cause for the deficit. The statement shows that only \$8,083.25 was taken in at the grandstand and quarter stretch which is indication enough that the weather had a great deal to do with the financial troubles. From every other standpoint the fair proved to be the biggest kind of a success.

"Not in the history of Kansas has Topeka had such a live stock or agricultural display as we had at the fair this year," said President Lux today. "Under ordinary circumstances we should have made \$10,000 and more."

The financial statement which will be submitted to the stockholders shows an actual deficit of \$10,497.47, but of this amount \$1,000 is due to the district fund of the Commercial club and a number of bills have been stricken off as to make the net loss \$9,696.81.

Expenses were \$42,007.98. It cost the fair association just \$42,007.98 to run the big free fair. This amount \$23,398.99 was spent in premiums. One of the big items of expense that would not have been incurred had the weather been good was \$2,308 for work on the roads and track trying to get them in passable shape.

To President Lux, who served without salary and who lost several thousand dollars through loss of time and business, is due the reward for a good part of the fair, which outside of the deficit was considered one of the greatest events ever held in Kansas. The sunflower state received more praise through its free fair than from any source in last few years.

The stockholders will elect a new set of directors at their meeting next Saturday to make arrangements for the 1916 fair.

President Lux's office will terminate at the next meeting of the board of directors and Mr. Lux says that under no circumstances will he keep the office for the next year.

Lux Wants New Man.

"We need a big, public spirited man who is willing to sacrifice time and money to head the fair," said Mr. Lux. "I believe we can find the man in Topeka and with a few changes in the general program of the fair I am sure it will be a great success in every way next year."

The officers of the fair association whose terms expire at the meeting are: Samuel E. Lux, president and general manager; L. M. Penwell, vice president; Scott Hopkins, treasurer; and Phil Eastman, publicist.

The present directors who will be succeeded by new directors, elected to night, are: Albert M. Patten, J. E. Burrow, G. E. Clark, J. H. Hodge, M. Penwell, H. W. McAfee, E. C. Logan, Arthur Capper, H. A. Auerbach, H. Wallace, Frank L. MacLennan, E. L. Copeland, S. E. Lux, T. F. Doran, E. H. Crosby, F. W. Bonebrake, Geo. C. Pritchard, Albert T. Reid, J. H. Lee, W. L. Miller, F. S. Crane, Scott Hopkins.

COAL FAMINE IN FRANCE

Nation May Be Compelled to Buy Steamships to Transport Fuel From American Dealers.

New York, Dec. 14.—Demand for American coal by the French government is becoming so urgent and the shortage of steamships for its transportation so acute that the French here say France may be compelled before long to establish a government fleet of steamships to obtain an adequate supply of fuel.

Ordinarily, France consumes 60,000,000 tons from this country to fulfill her annual requirements are said by local dealers to be exaggerated, but they assert that the French requirements are far beyond any amount which this country had ever before been called upon to ship to any one nation.

With the great advance in trans-Atlantic freight rates and the difficulty in obtaining steamships for shipment of supplies, American exporters are suggesting to the French government that its only safe course would be to purchase steamships or take them on long time charters for coal traffic.

MR. JIGGS—I THOUGHT TO BRING YOU A CUP OF COFFEE WHILE YOU ARE WAITING FOR BREAKFAST!

IN NORTH TOPEKA

North Side Stores Are Decked in Holiday Attire.

B. A. Retter Is Elected Consul of Camp 1243, M. W. A.

The Christmas spirit has invaded North Topeka and shops of all varieties visited by persons seeking holiday gifts are assuming the gay and festive appearance familiar at this season of the year. Special displays are being made by all merchants in an effort to attract the eyes of the North siders to their wares.

These displays are the forerunner of the Christmas rush which merchants expect to commence next week. Already holiday goods are beginning to move from the shelves. The advance business is only a slight increase over normal for non-holiday periods. Most of the stores are decorated with lights and Christmas trees and are busy with shopping merchants.

Christmas neckwear, toys, toilet articles and goods of that type will be sought first. The greatest advance made on the grocers a day or two before December 25.

Farmers Stay at Home.

North Topeka is missing its daily influx of farmers who earlier in the year came into the city practically every morning. For the past two weeks persons living north of town have been making their visits to the city more infrequent. An anxiety to clean up all work about the farms before the weather sets in is the principal reason assigned for the curtailment of visits to the city. Other reasons which no doubt figure are the cooler weather and the scarcity of products which the farmer can dispose of in the city.

Trips to the city begin to fall off when farmers have disposed of all their garden and horticultural products.

M. W. A. Election.

B. A. Retter was last night elected consul of North Topeka camp No. 1243, M. W. A. At the same meeting, J. H. Hodge, of Topeka, was elected vice consul. The election was held following a homecoming meeting. Refreshments were served and a special program was arranged for the event.
